Mr Ralph R. Snow.

Dear Sir

I do not have a price  
list I intend to use  
one published this season  
I just quote the  
pine seeds as follows

Longleaf Pine  
Pellets \$2.00 per lb

F.O.B. RR.

Loblolly pine *Pinus taeda*,  
\$3.00 per lb FOB RR,

Pond pine *Pinus*  
*taeda* \$10.00 per lb  
F.O.B. RR.

I also produce  
Magnolia plant,  
apposite should  
Shrubberies  
will have some for  
Soil this fall following  
also Venus Fly  
trap Pitcher plant  
& Boston plant.  
Azalea is the only  
Section of the U.S. &  
that this plant  
grows naturally in the  
woods. A rare plant,  
I will send you a catalog  
later
